

sound oasis®
sleep better. feel better. live better.

Sound Therapy System TRAVEL

Sound Oasis Travel is a unique sound therapy product that combines high performance digital sounds with a full-featured travel alarm clock. Incorporating 18 digitally recorded sounds and a voice memo feature, Sound Oasis Travel allows users to drift off to sleep with soothing nature sounds and wake up to one of three alarm sound types (sound, voice memo or buzzer).

18 sound environment possibilities

Sound Therapy System TRAVEL

Sound Oasis Travel incorporates a multi-position timer, with 4 selections; continuous, 30, 60, and 90 minutes, a unique "gradual off" volume reduction feature for a peaceful decrease in sound volume, a rotary on/off volume control, a headphone/pillow speaker jack and a one-touch off/resume button that stops the unit or repeats your last played sequence.

Powered by 4 "AA" batteries or the included global AC adapter, Sound Oasis Travel is ideal for use while traveling or at home. Its compact size allows the unit to comfortably slip into briefcases, carry-on luggage and even one's jacket pocket.

Product Features:

- 18 authentic, high fidelity built-in sounds: Ocean Surf, North Woods, Thunderstorm, White Noise, Night Train, Spring Rain, Island Surf, Bonfire, Stream, Hidden Cove, Wind, Asian Garden, Song Birds, Harbor Swell, Bamboo Chimes, Summer Night, Cooling Fan, Rain Forest, and 1 doctor developed Jet Lag Therapy sound.
- Voice memo for recording your own alarm or memo
